Dear Sir:

Greetings of safety and preparedness!

Proclamation No. 115-A, s. 1966, issued by President Ferdinand Marcos, laid the foundation for a nationwide awareness campaign by designating monthly incident-prevention observances. The goal of the proclamation is to instill in the populace the importance of being safety-conscious through various organized activities, with a particular focus on fire safety for the BFP.

In line with this, we cordially invite your esteemed office (**3-5 personnel**) to join our **motorcade and the awarding of the token of appreciation** as part of the "KICK-OFF" ceremony celebrating the **2026 FIRE PREVENTION MONTH**.

We are confident that your participation will add value to our endeavor and help us amplify the message of fire safety to a wider audience. Together, let us ignite the flame of awareness and work towards ensuring a safer environment for all.

We eagerly anticipate your presence and look forward to embarking on this journey toward fire safety excellence with you.
