DIVISION MEMORANDUM

No. 353, s. 2026

INVITATION TO THE NATIONAL SCIENCE CLUBS SUMMIT

To: OIC-Assistant Schools Division Superintendent
Chief Education Supervisors (CID and SGOD)
Public Secondary School Heads
All Others Concerned

1. Pursuant to the letter received from **Philippine Society of Youth Science Clubs**, one of the banner activities in the annual celebration of National Science Club Month is the National Science Clubs Summit. This is a one-and-a-half day event featuring lectures, workshops, and inter-active activities designed to foster scientific interests and camaraderie among **Junior** and **Senior High School** Science Club officers and members.
2. In this regard, all secondary school heads, science club advisers, science teachers shall identify and motivate Science Club officers and members to join and participate the National Science Summit which will be held on September 12-13, 2026 at Rafael B. Lacson Memorial High School, Talisay City.
3. Attached is the letter from the Philippine Society of Youth Science Clubs Inc. for the schedules and contact person; Racel Margaret Anne Balajadia 09457728092 for further information.
4. Expenses incurred during the said event shall be chargeable to local funds and other sources subject to usual accounting and auditing rules and regulations.
5. Immediate and wide dissemination of this memorandum is desired

PETER O. GALIMBA

Assistant Schools Division Superintendent
OIC, Office of the Schools Division Superintendent

PETER O. GALIMBA

Schools Division Superintendent

Schools Division of Escalante City

Department of Education - Region 06 Schools Division of Escalante City

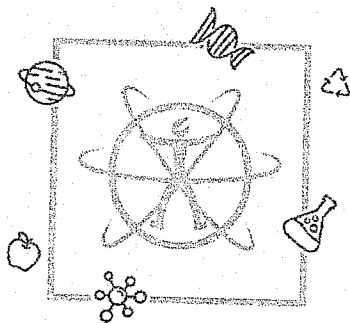

Dear Superintendent Galimba,

Greetings from the Science Clubbing Movement!

On its 54th year of serving the Filipino youth as the first and largest umbrella organization for science clubs in the Philippines, the Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (PSYSC), Inc., remains committed to promoting the public understanding of science, technology, and the environment (PUSTE) through quality programs and activities for elementary and high school students nationwide.

As mandated by the *Presidential Proclamation No. 264, s. 2002*, PSYSC annually spearheads the celebration of **National Science Club Month (NSCM)** every September. The month-long celebration begins with the **National Science Clubs Summit (SUMMIT)**, a one-and-a-half-day event featuring lectures, workshops, and interactive activities designed to foster scientific interest and camaraderie among junior and senior high school science club members. Other major NSCM activities include the **PSYSC Science Olympiad (PSO)**, a nationwide inter-school quiz competition for both elementary and high school students; **Mathematics, Science, at Kapaligiran (MSKA)**, a science-focused event comprising regional workshops during SUMMIT and a culminating national competition held in NCR; and the **I Teach Science Seminar (ITSS)**, which equips science educators with innovative, engaging pedagogical strategies through lectures and workshops.

To make the spirit and opportunities of NSCM more accessible to science club members across the country, PSYSC has established multiple regional centers to ensure broader participation and inclusivity. The SUMMIT, ITSS, MSKA Interactive and Engineering Science Challenge, and the PSO National Eliminations will be conducted simultaneously on September 5-6, 2026, across the following regions: Regions I, II, III, V, IX, XI, and XIII. Meanwhile it will occur on **September 12-13, 2026** for the Negros Island Regions. This simultaneous implementation allows students from diverse parts of the Philippines to experience NSCM within their respective localities.

Additionally, independent sites for the PSO National Eliminations will be held on September 5, 2026, in selected regions to further expand accessibility and participation. The PSO National Finals and MSKA Proper will be conducted simultaneously in the National Capital Region (NCR) on October 3–4, 2025, where top-performing participants from across the country will convene for the culminating competitions.

All event details and updates will be posted on our official Facebook page at www.facebook.com/psysc.nscm and shared via email through nscm@psysc.org. The important dates and regional locations for each sub-event are summarized below.

EVENT	REGIONAL SITE	DATE
SUMMIT	Regions 1, 2, 3/4A/4B, 5, 9, 10/11, and 13	September 5-6, 2026

Please note that schedules and arrangements may be subject to change, and all updates will be formally communicated through our official channels.

In line with the foregoing, we respectfully request an **endorsement** of the event from your esteemed office. Participation in this event will foster a deeper understanding and love for science in students and better pedagogical practices in our science educators.

For your reference, we have attached the detailed event descriptions for NSCM 2026. We sincerely seek your support in ensuring the successful conduct of this nationwide celebration. Should you require further information, documentation, or clarification, please feel free to contact us at 0947 178 4820 or via email at nscm@psysc.org

Thank you for your continued support in keeping the fire of science-clubbing burning!
