ADVISORY

TO : ALL REGIONAL AND DIVISION DRRM COORDINATORS

SUBJECT : MANDATORY ADHERENCE TO THE EXECUTION OF THE SCHOOL SAFETY DRILL

DATE : September 21, 2026

In light of the Nationwide School Safety Drill held on September 3, 2026, all Regional and Division Disaster Risk Reduction and Management (DRRM) Coordinators are instructed to oversee and guarantee the execution of the School Safety Drill across all schools in their Areas of Responsibility (AOR).

Executing the School Safety Drill and formulating contingency plans are essential preparedness measures. These activities allow schools to:

- Practice correct emergency procedures for potential safety incidents
- Evaluate the readiness of students and staff
- Pinpoint deficiencies in current safety protocols
- Enhance overall safety and emergency preparedness

Accordingly, all coordinators must actively track non-compliant schools and support their prompt completion of the drill. Following completion, schools should fill out the required evaluation form at <https://bit.ly/4iwrXhO> and resolve any identified gaps.

For immediate compliance.
